

Manitoba Coalition for Safer Waters

COMMUNITY WATER SAFETY

GRANT APPLICATION

2022

APPLICATION DEADLINE NOVEMBER 12, 2021

The Manitoba Coalition for Safer Waters Community Water Safety Grants have helped hundreds of communities and organizations improve the level of water safety and aquatic services in Manitoba.

ELIGIBLE INITIATIVES

Water safety initiatives as identified by communities and organizations will be considered. Examples include:

- Swimming lessons for children
- Improving signage at beaches and waterfronts
- Training for swim instructors and lifeguards
- Increased supervision of young people near water
- Offering boat operator training courses
- Constructing safety barriers at hazardous waterfronts
- Specific equipment for a pool/beach/waterfront

AMOUNT AVAILABLE

Communities and organizations may receive a grant for up to \$2,500. A grant “hold back” equal to 30% of the approved grant amount is applied and will be paid once the project is completed and a final report submitted.

CRITERIA

Applications for water safety grants will be assessed using the following criteria:

- Meets an identified community water safety need
- Priority given to communities and organizations who have not received a grant within the past two years.
- Addresses water safety in a higher-risk population.

The higher risk populations in Manitoba are:

- Toddlers (1-4 years of age)
- Young Adult Males
- Older Adults
- Boaters
- Indigenous Canadians
- New Canadians
